Reg. 9: Results and Classification

The FIM Rendez-Vous Meritum meeting is an international meeting of friendly character, which is reserved for a particular group of participants, so there are no classifications.

Reg. 10: Cancellation of meeting

According to Art. 2.7 of the General Part of the CTG. The organiser can cancel the meeting:

- if, at the closing date, the number of entries is below 80.
- in the case of absolute necessity.

In the case of cancellation of the meeting, the participants who transmitted their entry forms before the closing entry date, through FMNs will be notified and reimbursed through the FMN.

Reg. 11: Liability of the Authorities, Organisers and Participants

According to Art. 4 of the General Part of the CTG.

Reg. 12: Rider Conduct and Protection of the Environment

Participants of the FIM Rendez-Vous Meritum are motorcyclist ambassadors for their country and are expected to consider other road users in accordance with Art. 3 of the General Part of the CTG.

Recommendations to Road Users: general EU traffic rules are applied in Latvia – speed limits in towns are 50 km/h; out of town – 90 km/h. Motorcycles are allowed to bypass cars between lanes. Motorcycles can be parked parallelly on side-walks to let at least 1 meter space for pedestrians.

- Individual motorcyclists should develop riding habits to ensure full integration with other types of road users.
- Ride safely and avoid aggressive and competitive riding.
- Save petrol and reduce pollution by avoiding unnecessary idling of engines.
- Ride politely and limit noise pollution by using your horn only in an emergency.
- Noise annoyance. Use a standard or another quiet exhaust system and keep audio systems at a low level.
- Use only routes which are open to motorcyclists.
- Ride like a professional by riding at a quiet and unobtrusive pace when riding in groups.
- Respect nature by not travelling on paths which risk being damaged beyond a point of natural recovery.
- Protect wildlife and its natural habitat by riding intelligently.
- Ensure that your used oil, tyres, batteries and other recyclable items are properly recycled.
- Encourage a rational use of fuel and space economy by using motorcycles instead of driving automobiles.
- Remember that our cities and our roads are not circuits.
